Annual Gender Sensitization Action Plan 2023-24

The annual gender sensitization action plan at St. Xavier College Jalukie, promotes inclusivity and equality by conducting comprehensive training sessions and workshops to raise awareness and challenge stereotypes. We implement gender-sensitive policies across all departments and establish support mechanisms, such as counselling and mentorship programs, to meet the diverse needs of our community. Collaborations with local NGOs and advocacy groups, along with continuous evaluation and feedback, help us address gender inequality and foster a respectful, valued, and empowered campus environment.
