GUIDELINES

**FOR UNDERGRADUATE COURSES
(Honours and General Course)**

Under

NAGALAND UNIVERSITY

2022

(Incorporating policies recommended by NEP 2020)

PREAMBLE:

Education plays an enormously significant role in the building of a nation. There are quite a large number of educational institutions, engaged in imparting education in our country. However, the existing system of teaching and learning seems to have some limitations due to lack of required skill sets that are necessary for excellence in any job. Therefore the present situation necessitates transformation and/or redesigning of system, not only by introducing innovations but by developing a “learner-centric” approach.

In order to allow academic flexibility to the students to study the subjects/courses of their choice and for their mobility to different institutions, Nagaland University proposes to focus on courses which are interdisciplinary and multidisciplinary in nature and accordingly CBCS courses are being introduced in the undergraduate programme. This will facilitate the students to opt for different inter-disciplinary, intra-disciplinary and skill-based courses depending upon their interests. The choice based credit system not only offers opportunities and avenues to learn core subjects but also explore additional avenues of learning beyond the core subjects for holistic development of an individual.

The proposed CBCS guidelines incorporate the principles of the newly introduced National Education Policy (NEP)–2020 which lays emphasis on imparting holistic and multidisciplinary education to learners. NEP–2020 states that such “education would be aimed at developing all capacities of human beings – intellectual, aesthetic, social, physical, emotional, and moral in an integrated manner” (NEP, 2020), and this is an important consideration of the proposed guidelines for implementation of CBCS under Nagaland University.

OUTLINES OF CHOICE BASED CREDIT SYSTEM:

1. CORE COURSE:

These Courses are to be compulsorily studied as a core requirement for the programme. The contents of the Core Courses shall be as per the UGC Model Curriculum for the subject/ discipline concerned. However, the Boards of Studies concerned may recommend maximum of 20% deviation from the UGC Model Syllabi wherever requires.

The papers under this category are going to be taught uniformly across all the colleges under Nagaland University. In case, UGC does not provide model Syllabi/ Curriculum, the respective Board of under graduate Studies shall propose their own Core Courses keeping parity of total numbers of credits/ courses with other similar subjects/ disciplines.

2. ELECTIVE COURSE:

Generally a course which can be chosen from a pool of courses and which may be very specific or specialized or advanced or supportive to the discipline/ subject of study or which provides an extended scope or which enables an exposure to some other discipline/subject/domain or nurtures the candidate’s proficiency/skill is called an Elective Course. There are two types of Elective courses under CBCS. These courses may be intra-

departmental, i.e. Discipline Specific Elective (DSE) as well as inter-departmental, i.e., Generic Elective (GE). For the students of the same discipline/ subjects, these elective courses shall be intra-disciplinary and shall be called DSE Courses. If the students of other discipline/ subjects (*within the Programme*) opt these electives shall be considered as inter-disciplinary and shall be called GE courses

2.1 DISCIPLINE SPECIFIC ELECTIVE (DSE) COURSE:

Elective courses offered under the main discipline/subject of study are referred to as Discipline Specific Elective. The list provided under this category is duly approved by respective BUGS. If desired, students can complete similar courses (following proper university guidelines) under SWAYAM platform and transfer the credit. Credit transfer under this category cannot be more than 50 % of the total no courses under DSE.

2.2 GENERIC ELECTIVE (GE) COURSE:

An elective course chosen from an unrelated discipline/subject, with an intention to seek exposure beyond discipline/s of choice is called a Generic Elective. The purpose of this category of papers is to offer the students the option to explore disciplines of interest beyond the choices they make in Core and Discipline Specific Elective papers. A core course offered in a discipline/subject may be treated as an elective by other discipline/subject and vice versa and such electives may also be referred to as Generic Elective.

Students are advised to choose Generic Elective papers from other subjects in such a way that the knowledge gained from the generic elective papers enriches the study of the Core Honours course of the student.

If BUGS for a particular subject has any specific criteria for selection of Generic Elective papers (keeping in mind the admission criteria for P.G. admission under different universities) it may be incorporated in the Syllabus for that particular subject.

P.S.: A core course offered in a discipline/subject may be treated as an elective by other discipline/subject and vice versa and such electives may also be referred to as Generic Elective.

2.3 ABILITY ENHANCEMENT COURSES (AEC):

The Ability Enhancement (AE) Courses are of two kinds: Ability Enhancement Compulsory Courses (AECC) and Skill Enhancement Courses (SEC). “AECC” courses are the courses based upon the content that leads to Knowledge enhancement; i. Environmental Science and ii. English//MIL Communication. These are mandatory for all disciplines. SEC courses are value-based and/or skill-based and are aimed at providing hands-on-training, competencies, skills, etc.

2.3.1 ABILITY ENHANCEMENT COMPULSORY COURSES (AECC):

Environmental Science, English Communication/MIL Communication

2.3.2 SKILL ENHANCEMENT COURSES (SEC):

University made a common pool of courses from the list of Skill Enhancement Courses proposed by the respective BUGS (the list is suggestive in nature. Colleges can select their own courses from this list which will be possible to be taught in their respective colleges depending on the exiting departments/manpower.

If any college desires, Skill Enhancement Courses SEC may be chosen from the common pool of courses. or otherwise SEC courses may be offered from the courses proposed by respective BUGS in different subjects

The subjects where Skill Enhancement courses are not given in the UGC list and accordingly not reflected by the respective BUGS in their syllabus can choose the courses from other related subjects or from common pool.

2.4 PROJECT WORK/DISSERTATION

Project work/Dissertation is considered as a special course involving application of knowledge in solving / analyzing /exploring a real life situation / difficult problem. An optional Project/Dissertation work would be of 6 credits may be given in place of a discipline specific elective (DSE) paper in the sixth Semester.

2.5 ABILITY ENHANCEMENT COMPULSARY COURSES (Proposed Semester)

AECC i.e. English/MIL Communication will be offered in 1st Semester and Environmental Science will be offered in 2nd semester. Both the courses will be of 2 credits each and common for all the programme.

2.6 GENERIC ELECTIVE (Proposed guidelines)

GE papers for Honours courses of a particular subject may be same (both the title and course contents) as Discipline Specific Core papers of that particular subject for General courses as follows:

Honours	General
GE-1	DSC IA
GE-2	DSC 1B
GE-3	DSC 1C
GE-4	DSC 1D

For experimental subjects, both theory and practical course contents may be same

2.7 TOTAL CREDIT

The Total Credit for Honours course is 140 and for general courses are 120. A student can opt for more number of Elective and AE Elective papers than proposed in the present curriculum. The additional credit earned by a student beyond 140/120 either from NU courses or from other sources will not be counted in the overall merit of the student but may be reflected in the Transcript

2.8 TRANSFER OF CREDIT

A student can transfer the credit she/he earns from other sources like SWAYAM etc. The Credit transfer is possible for Elective Courses like Discipline Specific Electives only. Rationalization of credit will be done for transfer of credit (for transfer of credit under DSE, a student must complete a courses under SWAYAM platform of minimum 4 credit and above). A total of maximum 50% of the papers under Discipline Specific Elective courses for which credit transfer is allowed.

- A student needs to fill the form provided by the University/College for taking a course from outside the Nagaland University course curricula.
- The respective college authority will verify the course content and inform the COE office
- The college need to send the filled form to the university exam section for information of the examination section
- Due to some unavoidable circumstances if a student is not in a position to take the course, she/he can cancel the course and appear the regular course in the same semester, provided other criteria are fulfilled

2.9 COLLEGE CBCS BOARD

There shall be a College CBCS Board to monitor and supervise the implementation of the CBCS, which shall be constituted as below:

- | | |
|--|--------------------|
| a) The Principal of the College | - Chairperson |
| b) The Vice-Principal of the College | - Vice-Chairperson |
| c) The Heads of the Departments | - Members |

DISSERTATION/PROJECT WORK

1. A dissertation/project work is an optional course a student can undertake in the sixth semester in place of one DSE paper.
2. A student needs to undertake the dissertation under the supervision of a teacher of the same department of the college.
3. The Dissertation can be Experimental, Theoretical or both
4. A teacher can supervise more than one student/one group of students depending on the no of students/no of teachers present in the department.
5. After completion of the dissertation, the report may be submitted to the department for evaluation. The Evaluation may be done internally by a committee constituted by the department under the chairmanship of Head of the Department. If any college wants, they can invites one external examiner from the neighboring colleges/Institute
6. The Full marks for the Project is 100 (6 credit) and pass marks is 40. The Project evaluation may be made out of 100 marks in the end semester examination. No midterm evaluation is required
7. The evaluation will be made based on following points

Activity	Marks allotted	Marks to be given by
Continuous Evaluation/students regularity	20	Supervisor
Timely completion of work	10 marks	Supervisor
Presentation of the report	20 marks	Committee
Content of the report	30 marks	Committee
