RESERVATION POLICY FOR ADMISSION

Reservations or quotas have been an integral part of the Indian Higher Education System. Reservation quota in the context of Indian Higher Education System basically means that certain percentage of total seats for student admission is reserved in all universities and colleges for students who are socially, economically and educationally backward or for those who belong to the different sections such as SC and ST.

Since Government of Nagaland has not provided any special policy on the reservation of seats in the Higher Education Institutions, St Xavier College Jalukie adopts a reservation policy based on the directions of the Central Government/UGC.

Nagaland is a tribal state and the majority of the people belong to Scheduled Tribes. In this context the Governing board of St Xavier College Jalukie has adopted the following reservation policy according to the situation of the state:

i. Scheduled Tribe (ST)	-	70 % Seats
ii. Scheduled Caste (SC)	-	05 % Seats
iii. Other Backward Castes (OBC)	-	05 % Seats
iv. Physically Handicapped (PWD)	-	05 % Seats
v. General	-	15 % Seats

The seats reserved for the SC/ST shall be filled by the SC/ST candidates only. However, in the case of non-availability of eligible candidates, the reserved seats may be interchanged between the SC and ST. If any seat still remains unfilled, the same shall be left vacant. The Seats reserved for EWS/OBCs (Non-Creamy Layers) shall be filled with the EWS/OBCs (Non-Creamy Layers) candidates only.

This policy shall remain in force for 5 years from the date of execution or till it is revoked/revised whichever is earlier.
