

## Seminar on Vector Borne Diseases

On 18<sup>th</sup> August, 2023 Red Ribbon Club in collaboration with the Health and Family welfare department, Jalukie organized a seminar on Vector Borne Diseases with special emphasis on Dengue and Conjunctivitis. The resource person was Dr. Hedungkiebe (DVBO) along with one of his associates. The main objective of the seminar was to spread awareness among the students in regard to Various Vector Borne Diseases like Malaria, Japanese Encephalitis, Dengue and Conjunctivitis. The resource person shared his insight about the signs and symptoms and the preventive measure one can undertake. He also stressed on the treatments and resources available for treating the diseases.
